Dear University,

I am happy to recommend Dexter Garrett to your academic institution for the role of a student within your university. As a teacher of Dexter's at Knights Training Academy over the last two years, I have had the pleasure of facilitating his development and progression towards attaining the 3 A-levels he is due to complete this year. He has shown dedication, hard work and discipline during his time here as well as an enthusiasm towards learning.

He has been consistent with his quality of work and has produced distinctions and merits for the majority of his work since he enrolled with us in September last year. He is polite and has great work ethic and is also capable of leading a group.

I am confident in my recommendation of Dexter to your university and feel confident he would be a great fit for your academic institution. If you would like to speak further regarding Dexter and his time with us I am happy to facilitate this via phone or text on [taylor@knightsltd.co.uk](mailto:taylor@knightsltd.co.uk) and 07496262761.

Kind Regards

Taylor Morgan
