Dear University,

I am happy to recommend Edward Stephens-Truman to your academic institution as the role of a student within your university. As a teacher of Edward's at Knights Training Academy over the last two years, I have had the pleasure of facilitating his development for his 3 A-levels he is due to complete this year. He has shown dedication, hard work and discipline during his time here as well as an enthusiasm towards learning.

He has been consistent with his quality of work and has produced distinctions and merits for the majority of his work since he enrolled with us in September last year. He is an ambitious and hard working individual and has been reliable and helpful with all members of staff here.

I am confident in my recommendation of Edward to your university and feel like he would be a great fit for your academic institution. If you would like to speak further regarding Edward and his time with us I am happy to facilitate this via phone or text on taylor@knightsltd.co.uk and 07496262761.

Kind Regards

Taylor Morgan
